

# ASEAN QUIZ

## 1. Eligibility

- The competitor must be an English Program student.
- There must be two students per team.

## 2. Level of Competition:

- Mattayom 1-3 (Grade 7-9)
- Mattayom 4-6 (Grade 10-12)

## 3. Scoring Criteria

### 3.1 Elimination Round

- 3.1.1 One point per question
- 3.1.2 The test includes 60 questions. The total is 60 points.

### 3.2 Final Round

- 3.2.1 Four points per question
- 3.2.2 There are ten questions. The total is 40 points.
- 3.2.3 The team that is able to provide a complete answer with a correct spelling receives four points. One point is deducted for an incorrect spelling.
- 3.2.4 A full sentence is not required.

## 4. Rules for ASEAN QUIZ

### 4.1 Elimination Round

- 4.1.1 Each team completes a multiple choice test.  
The time limit is 60 minutes.
- 4.1.2 A representative of each team must raise his/her hand immediately after they complete the test. The judges are required to note the finish time of each team.
- 4.1.3 The judges correct the tests and sign their names on each test.
- 4.1.4 The top ten schools from the elimination round will pass to the final round. The teams that receive the same score are ranked based on the time each team takes to complete the test.

### 4.2 Final Round

- 4.2.1 There are ten questions. One of the judges read each question twice.
- 4.2.2 Each team is required to write down the answers in the paper provided by the host this competition. The time limit to answer each question is one minute. The timing starts immediately after the judge finishes reading the question the second time.
- 4.2.3 The judges collect answer sheets after the time to complete each question has run out.
- 4.2.4 After each team answers all ten questions and the answer sheets are collected by the judges, the judge who reads the questions will provide the answer of each question.

4.2.5 In the event of a tied score, the teams will continue answering questions. The judges will correct the answer from each team immediately after each question. The team(s) with an incorrect answer will be eliminated. This will be repeated until the winner is found.
